**ORDER:**

The Revenue (Endowments-I) Department have stated that, the Commissioner of Endowments Department, A.P., Hyderabad in his letter 1<sup>st</sup> read above have reported that the present cadre strength of Executive Officers Grade-I, Grade-II and Grade-III is 626. The cadre strength fixed during the year 1996 was not on scientific lines and it was so fixed to accommodate the existing Executive Officers, but not basing on real work load. There are 16,746 number of endowment institutions having valuable movable and immovable properties. Due to lack of sufficient hands and in view of ever increasing work load, the existing strength of Executive Officers can not cope with the effective management of temples. According to section 29 (3) of the Act 1987, the duties/functions of the Executive Officers are most important in managing the Endowment Institutions. There are 35,062 number of institutions published U/s 6 of the Act, out of which 16,746 number of institutions are having an extent of Acs. 4,30,033.19 cents of land. It is very difficult to manage these properties apart from attending to regular work with the present number of Executive Officers. As on today, against the 626 number of Executive Officers posts as per cadre strength only 435 posts are filled up. As the Executive Officers cadre strength is very meager, in order to have a practical approach towards the work load, basing on viability, compatibility etc., the Commissioner of Endowments Department, A.P., had constituted three committees (on Multi Zonal basis) to study and recommend the proposals submitted by Deputy Commissioners and Regional Officers. The revision of cadre strength is suggested basing on the grouping of the institutions as verified by the team of Officers of the department basing on certain guidelines.

**2.** The Commissioner of Endowments Department, A.P., has further stated that the salary, allowances, pension and other remuneration of the Executive Officer shall be paid in the first instance out of the “Consolidated Fund of the State and later recovered from the Endowments Administrative Funds”. As such, expenditure on these additional posts is not at all burden on the exchequer of State Government. To meet the exigencies of work load, the Commissioner of Endowments Department, A.P., Hyderabad has requested the Government to issue orders to sanction 347 additional posts in the cadre strength of Executive Officer Grade-I, Grade-II and Grade-III in view of the work load and grouping as suggested by the team of officers of his Department.

**(P.T.O)**
